Cryptographic hash (SHA-256):
4ec9277113a3dbf5b727b53601bd767b0f49377f13db7eaf121e09a1cf23b9

Legal Effect

This certificate is issued in accordance with Regulation (EU) No 910/2014 (eIDAS) and the Bulgarian Electronic Document and Trust Services Act. The qualified electronic timestamp carries a legal presumption of accuracy for the stated date and time and for the integrity of the associated data. The certificate has the force of a document with a trustworthy date and can be used as evidence before courts and administrative authorities in Bulgaria and across the EU. It proves authorship at a specific moment, confirming that the work existed in the referenced form at the certified time. This certificate serves as evidence of the time of creation/registration of the work.
